Done Internet

(Note: You can add this page to your internet favorites for future easy access to your login to check on the progress)

2. Once you login for the first time a Terms and License Agreement will come up. This At the bottom you can select **I Agree** or **I Disagree**. If you choose **I Disagree** please notify your ASM. If you choose **I Agree** please continue with the Online Application process.

3. If you choose **I Agree**, the next screen will be your personal information screen. Please take a moment and verify your personal information and preferences. Items shown with an asterisk (*) are required. You may change this information later by logging in and clicking "My Setup".

For security reasons you will need to change your password. Under *Notification Preferences* you do not have to check any boxes. Once finished with your verifying your personal information and typing in your new password click the **Save** button at the bottom.

(Note: The password can not contain any part of your name and has to be at least 8 characters login and contain at least 1 number.)
